

New Booking System Club Sessions & Monthly Tournaments

There are restrictions on the number of people allowed to play in organised events, such as our Club Sessions and Monthly Club Tournaments. Additionally, Track & Trace requirements means the club must keep a register of **everyone** playing at the club, at all times.

Booking

We have introduced a new booking system on our website for Club Sessions and Monthly Club Tournaments. There are 22 places for each club session and 4 reserve places, which will be automatically allocated in the event of a cancellation. It is worth registering as a reserve as places are often cancelled!

To register your attendance at a club sessions or monthly tournament simply:-

1. Log in
2. Go to court bookings – select day and event
2. Click on court 1 to register
3. Your name will appear on the bookings list and you will receive a confirmation email
4. You can't book more than 14 days in advance

Please ensure you cancel your booking if you can't play, even if it is raining, simply:-

1. Log in
2. Go to the court booking page
3. Scroll down to My Future Bookings and click on the one you wish to cancel
4. Confirm delete. You will receive an email confirmation of the cancellation.

IMPORTANT: You must be registered to play in these sessions.

- There is a strict limit of 22 players for each club session to comply with social distancing regulations
- You must cancel your reservation if you won't be playing, to allow another member to take the place and remove your name from the Track & Trace register. Checks are being carried out.

Social Distancing

Saturday mornings are our busiest session. Coaches are instructing juniors and parents to maintain social distances but it would be prudent to help alleviate potential bottlenecks around the clubhouse. If there are a number of people circulating around the clubhouse, we suggest members waiting to play:-

- Sit out on the grass bank by the side of court 1
- Utilise the gate between courts 3 & 4 (padlock code 1245) to access and leave from these courts
- Please ensure the padlock is relocked at the end of the session and scramble the code
- Respect the limit of 22 players for club session and do not attend if you are not registered.

Monthly Club Tournaments

To help spread activities and attendance at the club, we will now hold all future monthly club tournaments on the first **SUNDAY** of the month! Your place at these events also has to be booked on line, as above.
